

Roadsoft User Group – Online Meeting

Wednesday, August 5, 2015, 9 - 11 AM ET

Your feedback makes a difference! Roadsoft is customer-driven, so your suggestions for new features and improvements help decide what changes are made in Roadsoft. If you have an idea, come to the meeting and speak your mind. Roadsoft will become better with the more new ideas that are provided.

Overview

The purpose of the Roadsoft User Group is to discuss progress on the Roadsoft 2015 work plan, and perhaps more importantly to discuss ideas for the 2016 work plan.

The Center for Technology & Training has compiled a list of feature requests gathered throughout the year, and will be presenting the list for customer feedback and comments.
