Wednesday, April 1 FieldManager & Contract Management Conference Agenda

You need to attend this conference if you use *FieldManager*® software to manage and track your agency's construction projects. AASHTOWare Project Construction/Materials will replace *FieldManager*® in the near future. This conference features the transition to e-construction, paperless construction contracts; an overview of the MERL Local Job Manager; updates on MDOT, *FieldManager*®, Mobile Inspection, AASHTOWare Project; and an AASHTOWare demonstration.
