Overview

Every year local agencies must collect Pavement Surface Evaluation and Rating (PASER) data on at least 50% of their paved federal-aid eligible roads and then submit the data to the Transportation Asset Management Council (TAMC).

The Center for Technology & Training (CTT) will be conducting a series of rater training sessions on behalf of the TAMC. All raters who plan to evaluate federal-aid eligible roads in 2015 must attend one of these training sessions.

Cost and Registration

There is no cost to attend the webinar.

The cost to attend the classroom session is:

Public Agencies: \$10.00

Private Companies: \$20.00

Register [online](#) or contact the Center for Technology & Training at ctt@mtu.edu.

The registration fee, travel expenses, and staff time are reimbursable through your agency's regional or metropolitan planning organization (RPO/MPO) as part of data collection.

No-shows and cancellations within three business days of the session will be charged the full registration fee. Substitutions will be accepted. For fulfillment of Continuing Education requirements, participants must be registered. The Center for Technology & Training's continuing education policy is available [here](#).

Rater Certification

Raters who meet certification eligibility requirements will be notified by mail and can register to take the certification exam.
