## Overview

Every year local agencies must collect Pavement Surface Evaluation and Rating (PASER) data on at least 50% of their paved federal-aid eligible roads and then submit the data to the Transportation Asset Management Council (TAMC).

The Center for Technology & Training (CTT) will be conducting a series of rater training sessions on behalf of the TAMC. All raters who plan to evaluate federal-aid eligible roads in 2015 must attend one of these training sessions.
