

# Roadsoft® is going on the Road!

New, On-site Tech Assist Available by Request

**Have you been using** Roadsoft for a while but you're having trouble with specific issues?

**Have you already attended** Roadsoft training, and now you're ready to apply what you've learned to your specific data set?

**Roadsoft®** Tech Assist may be just what you need!

## Roadsoft Tech Assist:

Sometimes attending workshops, webinars or calling Tech Support just isn't enough. Let Roadsoft Tech Assist come to you. We will provide a hands-on work session and bring Roadsoft expertise regarding topics and issues pertinent to your needs. You provide your Roadsoft data and a list of topics you need help with and we'll provide the staff that can sit down with your group and work through your list. Invite other organizations to your work session to learn more about Roadsoft.

## Tech Assist days:

Work sessions may be conducted during the following days. Choose a morning or afternoon session on a day that is convenient for you.

October 12, 13, 15, and 16

## We can help you:

- ...plan your strategy to ask for a new millage.
- ...provide data for presentations or websites.
- ...import, export, and update data.
- ...get started using the Laptop Data Collector (LDC).
- ...for free.
