Special Topics in Roadsoft: Guardrail Module

Wednesday, March 2, 2016 – 9AM to 10AM ET – Webinar

Center for Technology & Training

Roadsoft®

This training is for those familiar with Roadsoft, but want to learn more about the Guardrail Module.

- Using the Laptop Data Collector (LDC) to collect Guardrail locations & data
- Using Roadsoft to view & update Guardrail data
- Running Guardrail reports

Instructor

Nancy Moore is a software engineer with Roadsoft and has over 25 years of experience. She has focused on adding to the traffic count, sign, guardrail, and safety modules, and has helped with the testing of major releases, code rewrites, training, tech support, and sign migrations.
