Roadsoft® *is going On the Road!*

*Individualized Technical Assistance Brought **To You** By The CTT*

Roadsoft On The Road is a customized on-site session with our experienced staff to work on topics specific to your needs. You provide your Roadsoft data and a list of topics you'd like to cover, and we'll provide the assistance to work through your list in person. This is also an opportunity to invite other organizations to your location to cover general Roadsoft topics.

Dates Offered

September 23-27, 2019

Morning and afternoon sessions.

Submit your visit request at roadsoft.org/OnTheRoad and Roadsoft staff will contact you to make arrangements.

Center for Technology & Training

We can help you:

- Plan your strategy to request a new millage
- Provide data for presentations or websites
- Import, export, & update data
- Assist with Laptop Data Collector (LDC) or Mobile App
- Get started using Roadsoft
