

MDOT Local Agency Program: What to do When Your Project Needs Right-of-Way Parcels

WEBINAR: Thursday, March 19, 2020 — 10:00 – 11:30 AM

What do you do if you need additional right-of-way parcels on a project? This webinar will provide an overview of the requirements for acquiring right-of-way parcels on a federal-aid project and will give an update to the changes involving mutual benefits. Local agencies cannot use mutual benefit when acquiring property for all local projects with grade-inspection meeting submittals made on or after October 1, 2020.
