

# Engineering Ethics

WEBINAR

THURSDAY, DEC 15, 2022

9:00AM TO 11:00AM EST

## ABOUT THIS TRAINING

Sound ethical behavior is the cornerstone of the engineering profession. Engineering requires honesty and impartiality toward the work we do to protect public health, safety, and welfare. This webinar is designed to meet the ethical training requirements of the Michigan PE while reminding us all of the importance in making clear ethical decisions during our daily activities.

## REGISTRATION\*

\$20 registration fee

Register by December 14th, 2022.

*\*Required for fulfillment of continuing education. Read the Center for Technology & Training policy here.*

*Accommodation requests related to a disability should be made by ten business days prior to the event to [ctt@mtu.edu](mailto:ctt@mtu.edu).*

*Michigan Tech is an EOE that provides equal opportunity for all, including protected veterans and individuals with disabilities.*

## ABOUT THE INSTRUCTOR

Kris Mattila, PE, PhD, is an Associate Professor at Michigan Technological University in the department of Civil, Environmental and Geospatial Engineering. Dr. Mattila's focus is in construction, estimating, and project scheduling.
