

Transportation Asset Management For Local Officials

Gravel Road Basics for Decision-Makers

**September 21, 2022
9:00 AM - 12:00 Noon ET**

170 W. Soper Rd.
Bad Axe, MI 48413

Hosted by: *Huron County Road Commission*

Join Pete Torola, PE, Research Engineer at the Center for Technology & Training to learn how to make better decisions about managing and maintaining gravel roads. We will cover: how gravel roads factor into Michigan's transportation network, construction materials, common distresses, maintenance methods, drainage systems, and other tips to manage gravel road assets.

Asset Management Basics for Paved Roads

**September 22, 2022
9:00 AM - 12:00 Noon ET**

2334 North Meridian Rd.
Sanford, MI 48657

Hosted by: *Midland County Road Commission*

Join Pete Torola, PE, Research Engineer at the Center for Technology & Training to learn the fundamentals of asset management at this workshop. From pavement basics to how to select the right treatment or preventative measure - we've got you covered. We'll give you everything you need to know to get started to maximize your ROI on future projects.
