

Engineering Ethics

WEBINAR

ABOUT THIS TRAINING

Sound ethical behavior is the cornerstone of the engineering profession. Engineering requires honesty and impartiality toward the work we do to protect public health, safety, and welfare. This webinar is designed to meet the ethical training requirements of the Michigan PE while reminding us all of the importance in making clear ethical decisions during our daily activities.

DETAILS

Date: Friday, December 15, 2023

Time: 9:00 AM - 11:00 AM (ET)

Cost: \$20 per person

Registration Deadline: December, 14, 2023

INTENDED AUDIENCE

- Engineers who are looking to meet their Michigan ethical training requirements.
- Those who wish to enhance their ethical decision making during daily activities.

INSTRUCTOR

Kris Mattila, PhD, PE, is an Associate Professor at Michigan Technological University in the department of Civil, Environmental and Geospatial Engineering. Dr. Mattila's focus is in construction, estimating, and project scheduling.
