

Asset Management Plan Training

The Center for Technology & Training (CTT) is a resource in completing your asset management plans (AMPs) related to Public Act (PA) 325 of 2018. For more training opportunities, visit ctt.mtu.edu/training. Questions? Email ctt@mtu.edu.

Registration Cost

For individual webinars & workshops.

Cost

Webinars: \$20 per person

Workshops: \$30 per person

Bridge Asset Management Plan Webinar

For those who are new to bridge asset management.

These informational webinars are designed to introduce you to the basic principles and resources for establishing an asset management plan for your bridge inventory. Join Chris Gilbertson, PhD, PE, from the CTT for these introductory webinars.

April 25, 2024

9:00 - 11:00 AM (ET).

Registration deadline: April 24

Virtual Workshops

For those who are creating a bridge or pavement asset management plan for the first time.

Bridge Asset Management Plan 4-day Virtual Workshop

Draft a bridge asset management plan with Vicki Kaplewski from the CTT in this hands-on workshop using your agency data (exported from MiBridge).

Each day begins with 45 minutes of instruction followed by a Q&A and a working session.

Tutorials include:

- Day 1: Introduction, Using the Data Tool, Creating an AMP Customized Template (Part 1)
- Day 2: Using the Budget Tool, Creating an AMP Customized Template (Part 2)
- Day 3: Creating Appendixes
- Day 4: Future Updates, Integrating Bridge AMP with Compliance Plan

May 6-9, 2024

9:00 - 11:00 AM (ET).

Registration deadline: April 22

Pavement Asset Management Plan 3-day Virtual Workshop

Turn your data and cost estimates into a pavement asset management plan with Tim Colling, PhD, PE, from the CTT in this hands-on workshop. Bring your existing agency data (found in Roadsoft).

- Plan Overview & Legislation
- Template Mechanics
- Intent of Report Sections
- Hands-on Exercises
- Open Q&A
- One-on-one Guidance Opportunity
- Compliance Plan

May 14-16, 2024

9:00 - 11:00 AM (ET).

Registration deadline: May 5

Updating a Bridge, Pavement, or Compliance Plan Webinar

For those who are updating an existing bridge or pavement asset management plan.

This webinar will review the process of updating data for the templates from Roadsoft and MiBridge, will step through the process of completing updated graphs and tables for these plans, and will demonstrate generation of an updated compliance plan. The training will also illustrate techniques and tools in Microsoft Word that can be used to speed the update review and editing process.

June 20, 2024

1:00 - 4:00 PM (ET).

Registration deadline: June 19

August 6, 2024

1:00 - 4:00 PM (ET).

Registration deadline: August 5

December 12, 2024

1:00 - 4:00 PM (ET).

Registration deadline: December 11
