

**PLEASE NOTE: THESE EVENTS ARE VIRTUAL**

## Back To Basics: Core Concepts of Asphalt Pavement Design

**Event Date:** May 15, 2024

**Event Time:** 12:00 PM - 12:30 PM (ET)

**Event Cost:** FREE

**Registration Deadline:** May 14, 2024

Chuck Mills will cover the basics of asphalt pavement design in this short course. Whether you've never taken an asphalt class or you just need a refresher, you'll learn some fundamentals that you can build on.

## Ask The Expert - How To Read An Asphalt Mix Design

**Event Date:** May 29, 2024

**Event Time:** 12:00 PM - 12:30 PM (ET)

**Event Cost:** FREE

**Registration Deadline:** May 28, 2024

In this interactive webinar, you'll be able to ask Chuck Mills all your questions about reading an asphalt mix design. You'll have a chance to get answers from an expert in the industry as well as getting practical insights and advice. No questions are too basic or too advanced!

## Selecting The Right Asphalt Pavement Mix Design

**Event Date:** June 3, 2024

**Event Time:** 12:00 PM - 12:30 PM (ET)

**Event Cost:** FREE

**Registration Deadline:** June 2, 2024

Chuck Mills will explain the key considerations and best practices when selecting an asphalt pavement mix design. You'll learn strategies to tailor your mix design to meet your needs and improve durability of your asphalt pavement.

## Ask The Expert - Asphalt Pavement Inspection Basics

**Event Date:** June 10, 2024

**Event Time:** 12:00 PM - 12:30 PM (ET)

**Event Cost:** FREE

**Registration Deadline:** June 9, 2024

In this interactive webinar, Chuck Mills will field your questions about asphalt pavement inspection. You'll learn best practices from industry experts as well as tips and tricks to use on your project sites.

### Intended Audience:

- Local Agency Engineers
- Managers
- Technicians
- Consultants

### QUESTIONS?

### Instructor: Chuck Mills, P.E. - Director of Engineering

Chuck joined the Asphalt Pavement Association in 2005 as the Director of Engineering. Chuck works closely with MDOT, other public and private pavement owners and APAM members to provide high quality asphalt pavements. Chuck received his Bachelor of Science in Civil Engineering from Michigan State University. Prior to joining APAM, Mr. Mills served jointly as Director of Technical Services for the Michigan Infrastructure & Transportation Association (MITA) and the Michigan Pavement Association (MPA).
