NEWS RELEASE

SUBJECT: PILED SNOW POSES HAZARD ON ROADS

CONTACT PERSON: BRIAN A. GUTOWSKI, ENGINEER-MANAGER
347-8142

Property owners piling snow high along roadways and shoulders or pushing snow across the road causes hazardous conditions for motorists. The Emmet County Road Commission warns that it is also against the law. The Road Commission says that the law (P.A. 82 of 1978) prohibits citizens and businesses from dumping snow on roadways and shoulders or piling it so high at driveway entrances that it obstructs the vision of motorists.
