NACE > Local Roads Matter

## Local Road Matter

Our nation's local roads are critical to every facet of our lives. Safe and efficient roads and bridges are necessary for economic vitality, to revitalization, to schools, to trade, to healthcare, to business, in times of crisis, to families and to our overall quality of life. Join our campaign and let our country know that Local Roads Matter!

Click [here](#) to hear directly from NACE past President Chris Bausermann, PE, PS, County Engineer, Delaware Co, OH as he highlights the importance of the "Local Roads Matter" campaign.

Washington, DC 20001

# NACE Officers Testify Before Congress

NACE President, George Webb, and President-elect, Sue Miller, testifying at U.S. House of Representatives Transportation & Infrastructure Committee on Bridge Deficiencies and Needs on Local Roads (Sept. 2007).

# Legislative Priorities

## 1. Project Streamlining

- Elimination of Federal requirements on projects \$5 million or less.

## 2. Safety

- Retain the off-system bridge program at or above current levels.
- Support the SAFE Bridge Act, which would allocate additional funding for structurally deficient or functionally obsolete bridges, regardless of ownership.
- Work toward the achievement of the Towards Zero Death (TZD) initiative by supporting safety funding.

## 3. Funding – Support the development of sustainable funding mechanisms to maintain the Highway Trust Fund.

# NACE Ohio State Director Testifies Before Congress

David P. Brand P.E., P.S. County Engineer Madison County, OH testifies before the Senate Environment & Public Works Committee on S. 1876, the Clean Water Restoration Act of 2007 (April 9, 2008).

# Other Legislative Issues:

- **Expand funding for the Local Technical Assistance Program.**
- **Support for the principals in the Metropolitan Congestion Relief Act.**
- **Remain opposed to change the definition of the Clean Water Act from “navigable waters” to “waters of the United States.”**
- **Remain opposed to issuance by the Governmental Accounting Standards Board (GASB) of any standard on performance measurement.**
- **Support greater use of automated traffic law enforcement.**
- **Support the use of motorcycle safety programs.**
- **Support increased use of renewable and alternative fuels programs.**
- **Oppose any increases in vehicle size and weights unless set-aside funding is provided for the improvement of all roads.**

# NACE 2012 Conference

NACE Leadership & FHWA Administrator Victor Mendez

# Staying Up-to-Date

*Communicating vital information, ideas, and available resources.*

- E-News Updates
- Monthly newsletters - NACE News
- NACE Website [www.countyengineers.org](http://www.countyengineers.org)

# Research & Information

*Supplying specific answers to specific questions.*

- Research of special subject areas such as bridge standards, best practices, consultant selection, capital programming, road benchmarking, and a multitude of other subjects.
- The NACE list service provides an easy venue to ask your colleagues about how they “solved” issues you face.

# Technical Assistance and Training

*Exploring the best way to deploy technologies and information.*

- The NACE list service provides an easy venue to ask your colleagues about how they “solved” issues you face.
- Full catalog of training publications available in print, on CD, and on the members only section of website.
- Local & Tribal Technical Assistance Program (LTAP/TTAP) centers in every state to promote expanded and state-of-the-art training.
- Other Partners (AASHTO, ATSSA, FHWA, Forest Service, NCPP, NACo) and NACE Corporate members.

# National Partnerships

*Working with others to promote better communication within the industry.*

# Professionalism

# EDC2 - LPA Initiative

- Certification/qualification-type programs
- Indefinite-Delivery/Indefinite-Quantity (IDIQ) Consultant Contracts, and Stakeholder Committees.
- "Stakeholder Committee" comprised of FHWA, STA and LPA representatives to ensure dialogs of understanding are created, to ensure appropriate training is provided, and to review and refine project development and delivery processes.

# How can you get involved?

- ▣ Get Active in NACE Committees, task forces, or volunteer for national committees, studies, etc.
- ▣ Sign up for NACE List service programs. Share your experience and help other colleagues.
- ▣ Stay informed on Federal & State Legislative/Regulatory Issues – Join the NACE Alert.
- ▣ Establish communications and relationships with Federal, state, and local elected officials in your State. Take the “Local Roads Matter!” message to them.
- ▣ Get Active in your State Association by volunteering for committees, task forces, etc.

NACE 2014: April 13 - 16, 2014
