FHWA Update
Kurt Zachary
FHWA – MI Division
2019 County Engineer Workshop

2018 Compliance Assessment Program (CAP Review)

- FHWA continued with it’s annual review program (year 5)
- CAP is part of FHWA’s RBSO
- 63 projects (in construction)
- Projects: half trunkline/half local
2018 Compliance Assessment Program (CAP Review)

- CAP review questions updated from past years-to better represent the overall Federal-aid program
- National Questions:
  - Debarment provisions and review
  - 1273 included
  - Public opened bids
  - Bid Competition
  - Licensing
  - Differing Site Conditions provisions
  - Suspension of work provisions
  - Non-Collusion provisions
  - NEPA compliance
2019 County Engineer Workshop

2018 Compliance Assessment Program (CAP Review)

• Michigan Specific Questions:
  • DBE changes from time of bid
  • Authorized before Advertisement
  • Progress payment review
  • STIP prior to Authorization
2019 County Engineer Workshop

2018 Compliance Assessment Program (CAP Review) – Results/Findings

- FHWA 1273 in subcontracts
- Licensure
- NEPA prior to authorization
- Quantities determined accurately
- Competitive bidding (prequalification)
- Non-collusion
Impacts/Aftermath of the 2019 Lack of Appropriations (Shutdown)

- Environmental documents requiring other Federal agencies input
- TIP approvals in MPOs will not include FTA projects
2019 County Engineer Workshop
