Event Description

The Michigan Department of Transportation is pleased to announce our new Local Agency Program (LAP) Section 106 review process. Beginning sometime after Jan. 1, 2023, local agencies obtaining federal aid will send all Section 106 review requests and supporting documentation to MDOT's LAP Cultural Resource Specialists rather than the State Historic Preservation Office (SHPO). This webinar will discuss the recently executed Programmatic Agreement and provide an overview of the new review process and related forms, responses, and guidance documents. We look forward to meeting with the local agencies as we begin to implement this process.

Both Brian Grennell (MDOT LAP Historian) and Patty Jo Korzeniewski (MDOT LAP Archaeologist) will be speaking.
